DEADPOOL

JUGGERNAUT

IN

PARADISE LOST

CHAPTER 1
UNSTOPPABLE

JUST OUTSIDE OF AUSTIN, TEXAS.

Unstoppables!
Uhm... go stop 'em...

I really gotta work on that rallying cry...
KAPOW

POLICE

We'd

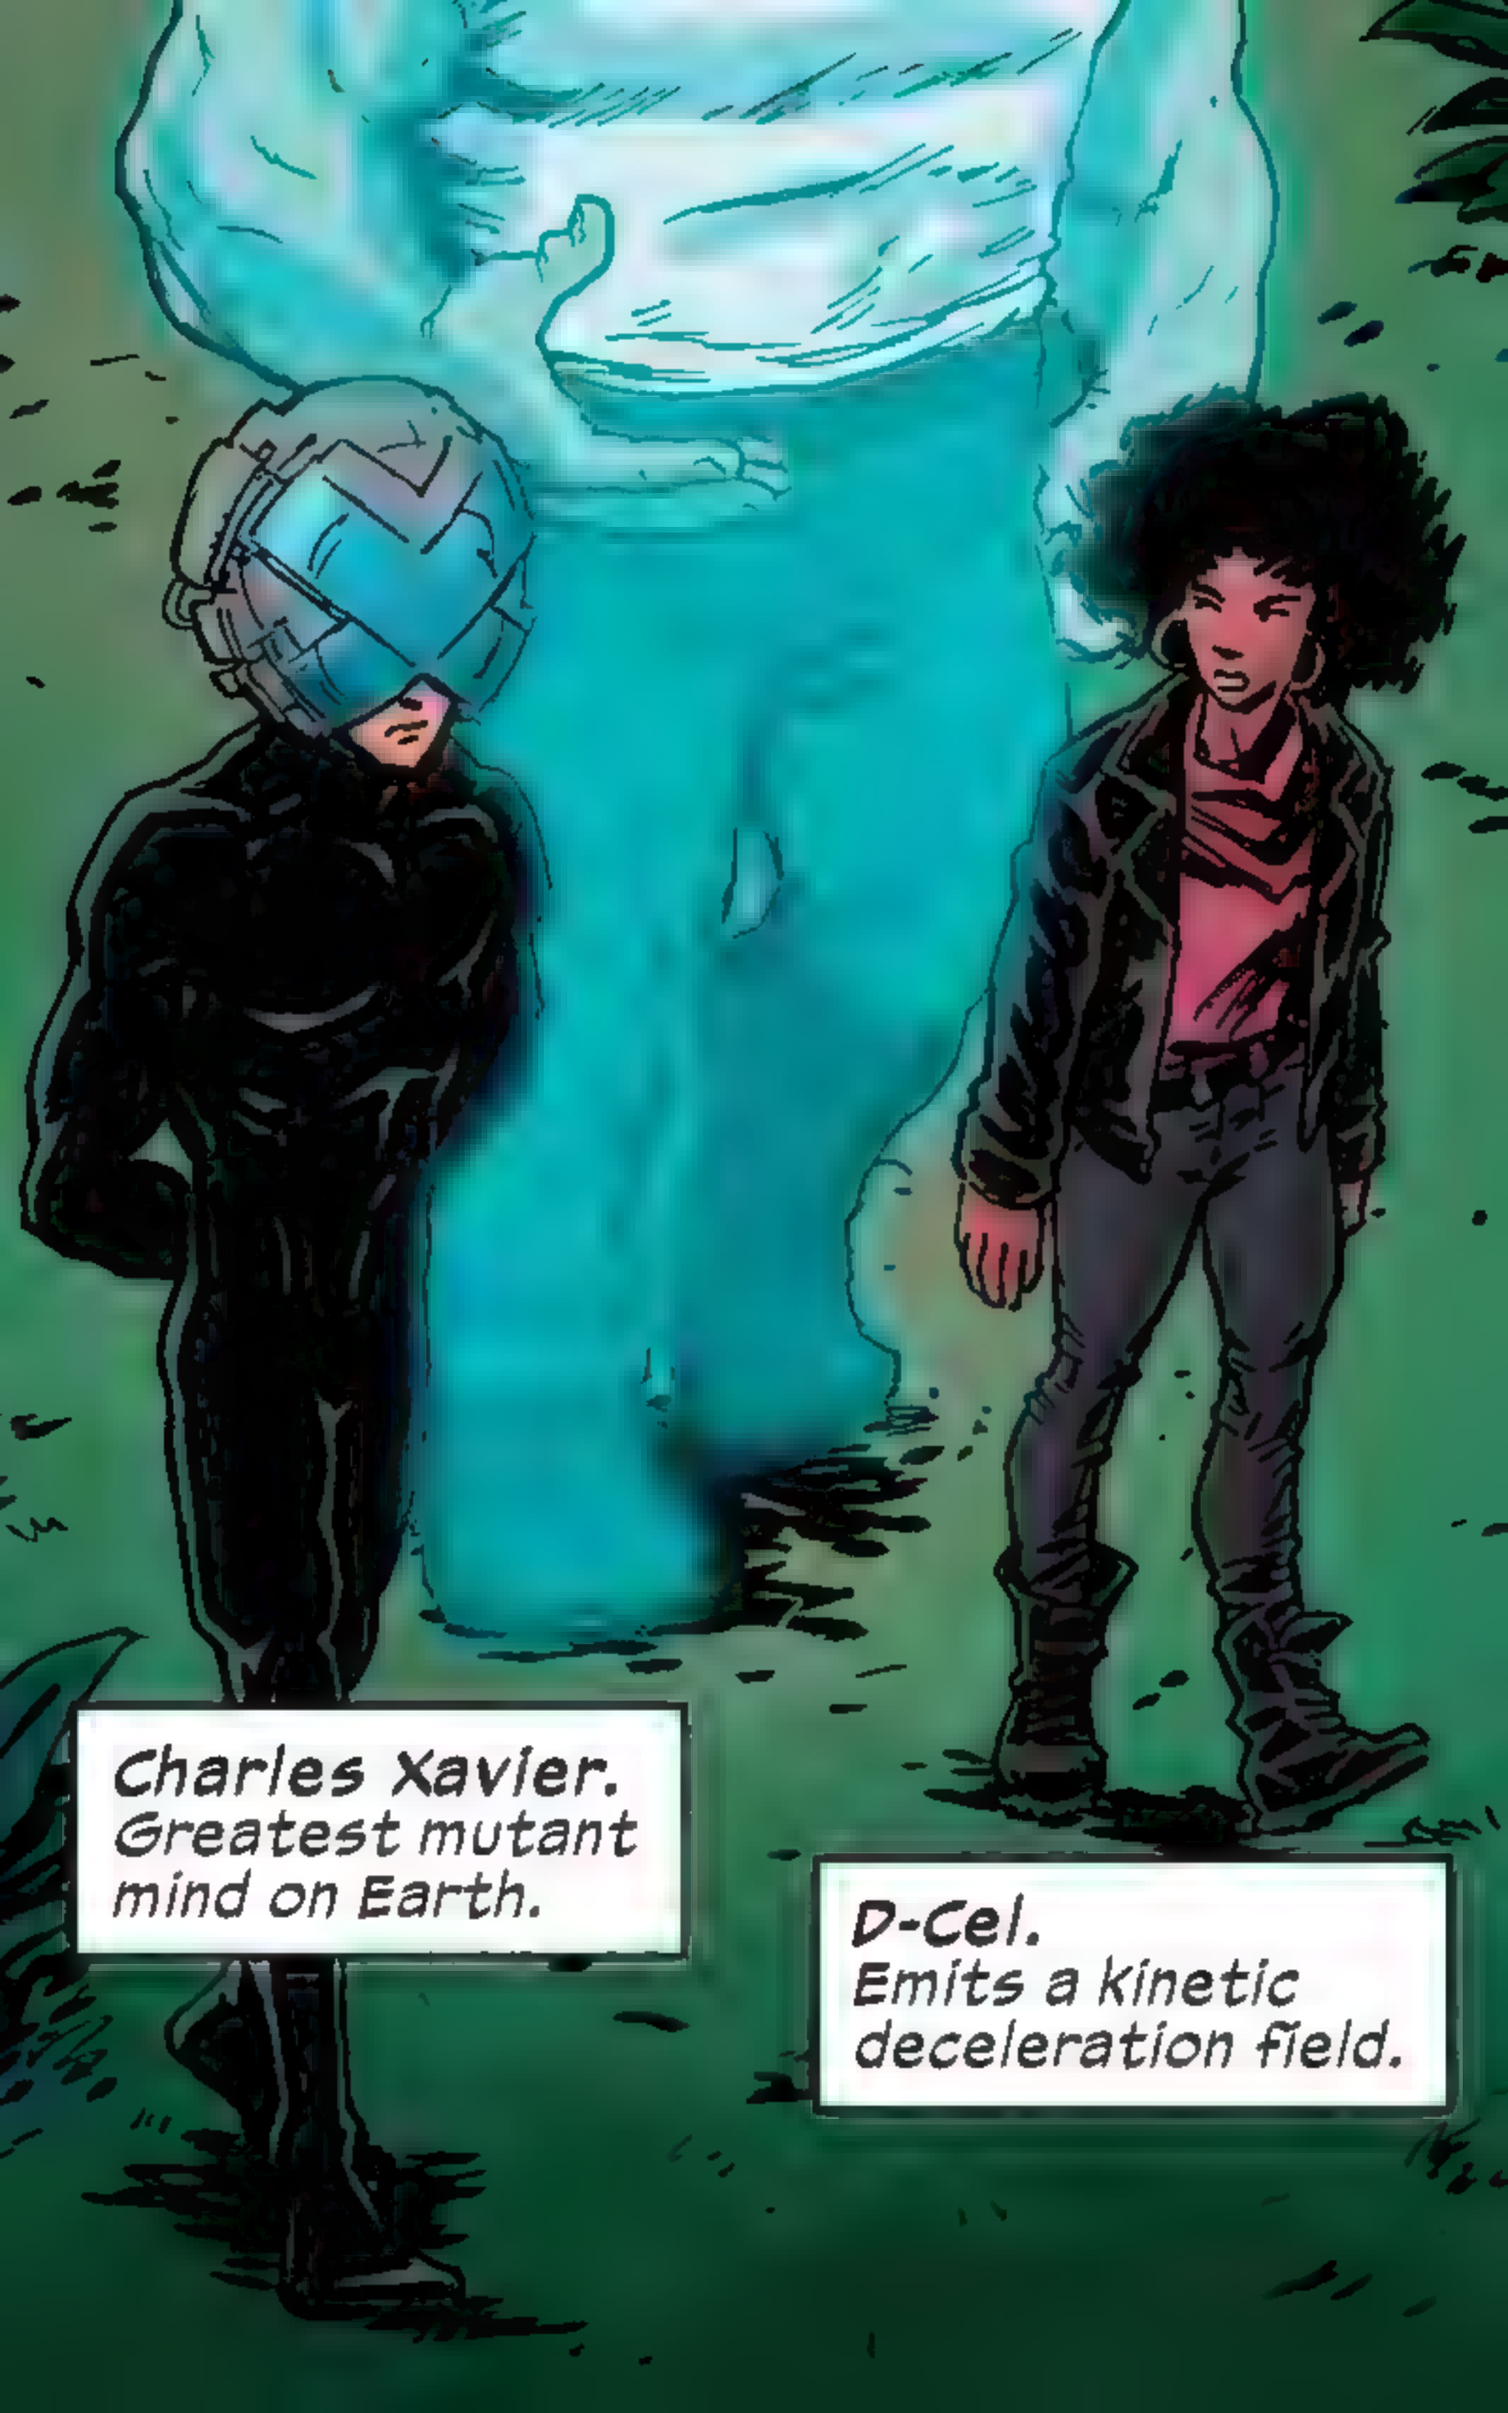
prefer that no one gets hurt.
We know you are simply performing your duty...
...but so are *we*.
By the way, my name is *Primus*. Nice to meet you.

Cain, are we certain she is inside?
As certain as the *intel* we got, **Quicksand.**

If the *kid* is in there, we have to get her out...

They're detaining her? Are they allowed to do that, Charles?
EIGHT HOURS AGO.
THE MUTANT NATION OF

KRAKOA.
No, Cain, they aren't allowed to confine a citizen of Krakoa.
Then... why are they?



Charles Xavier.
Greatest mutant mind on Earth.
D-Cel.
Emits a kinetic deceleration field.

She's a *mutant*. That's why they came after *me* months ago.
With Krakoa as a *safe place* for *mutants*, there're less of us out there to use or abuse.
Andrea just wanted to see some salsa concert in Austin.
She asked us to go

with her, but no--because, salsa.
One of us shoulda gone.
Not your fault, Miranda.
If more of us had gone, it wouldn't have happened.

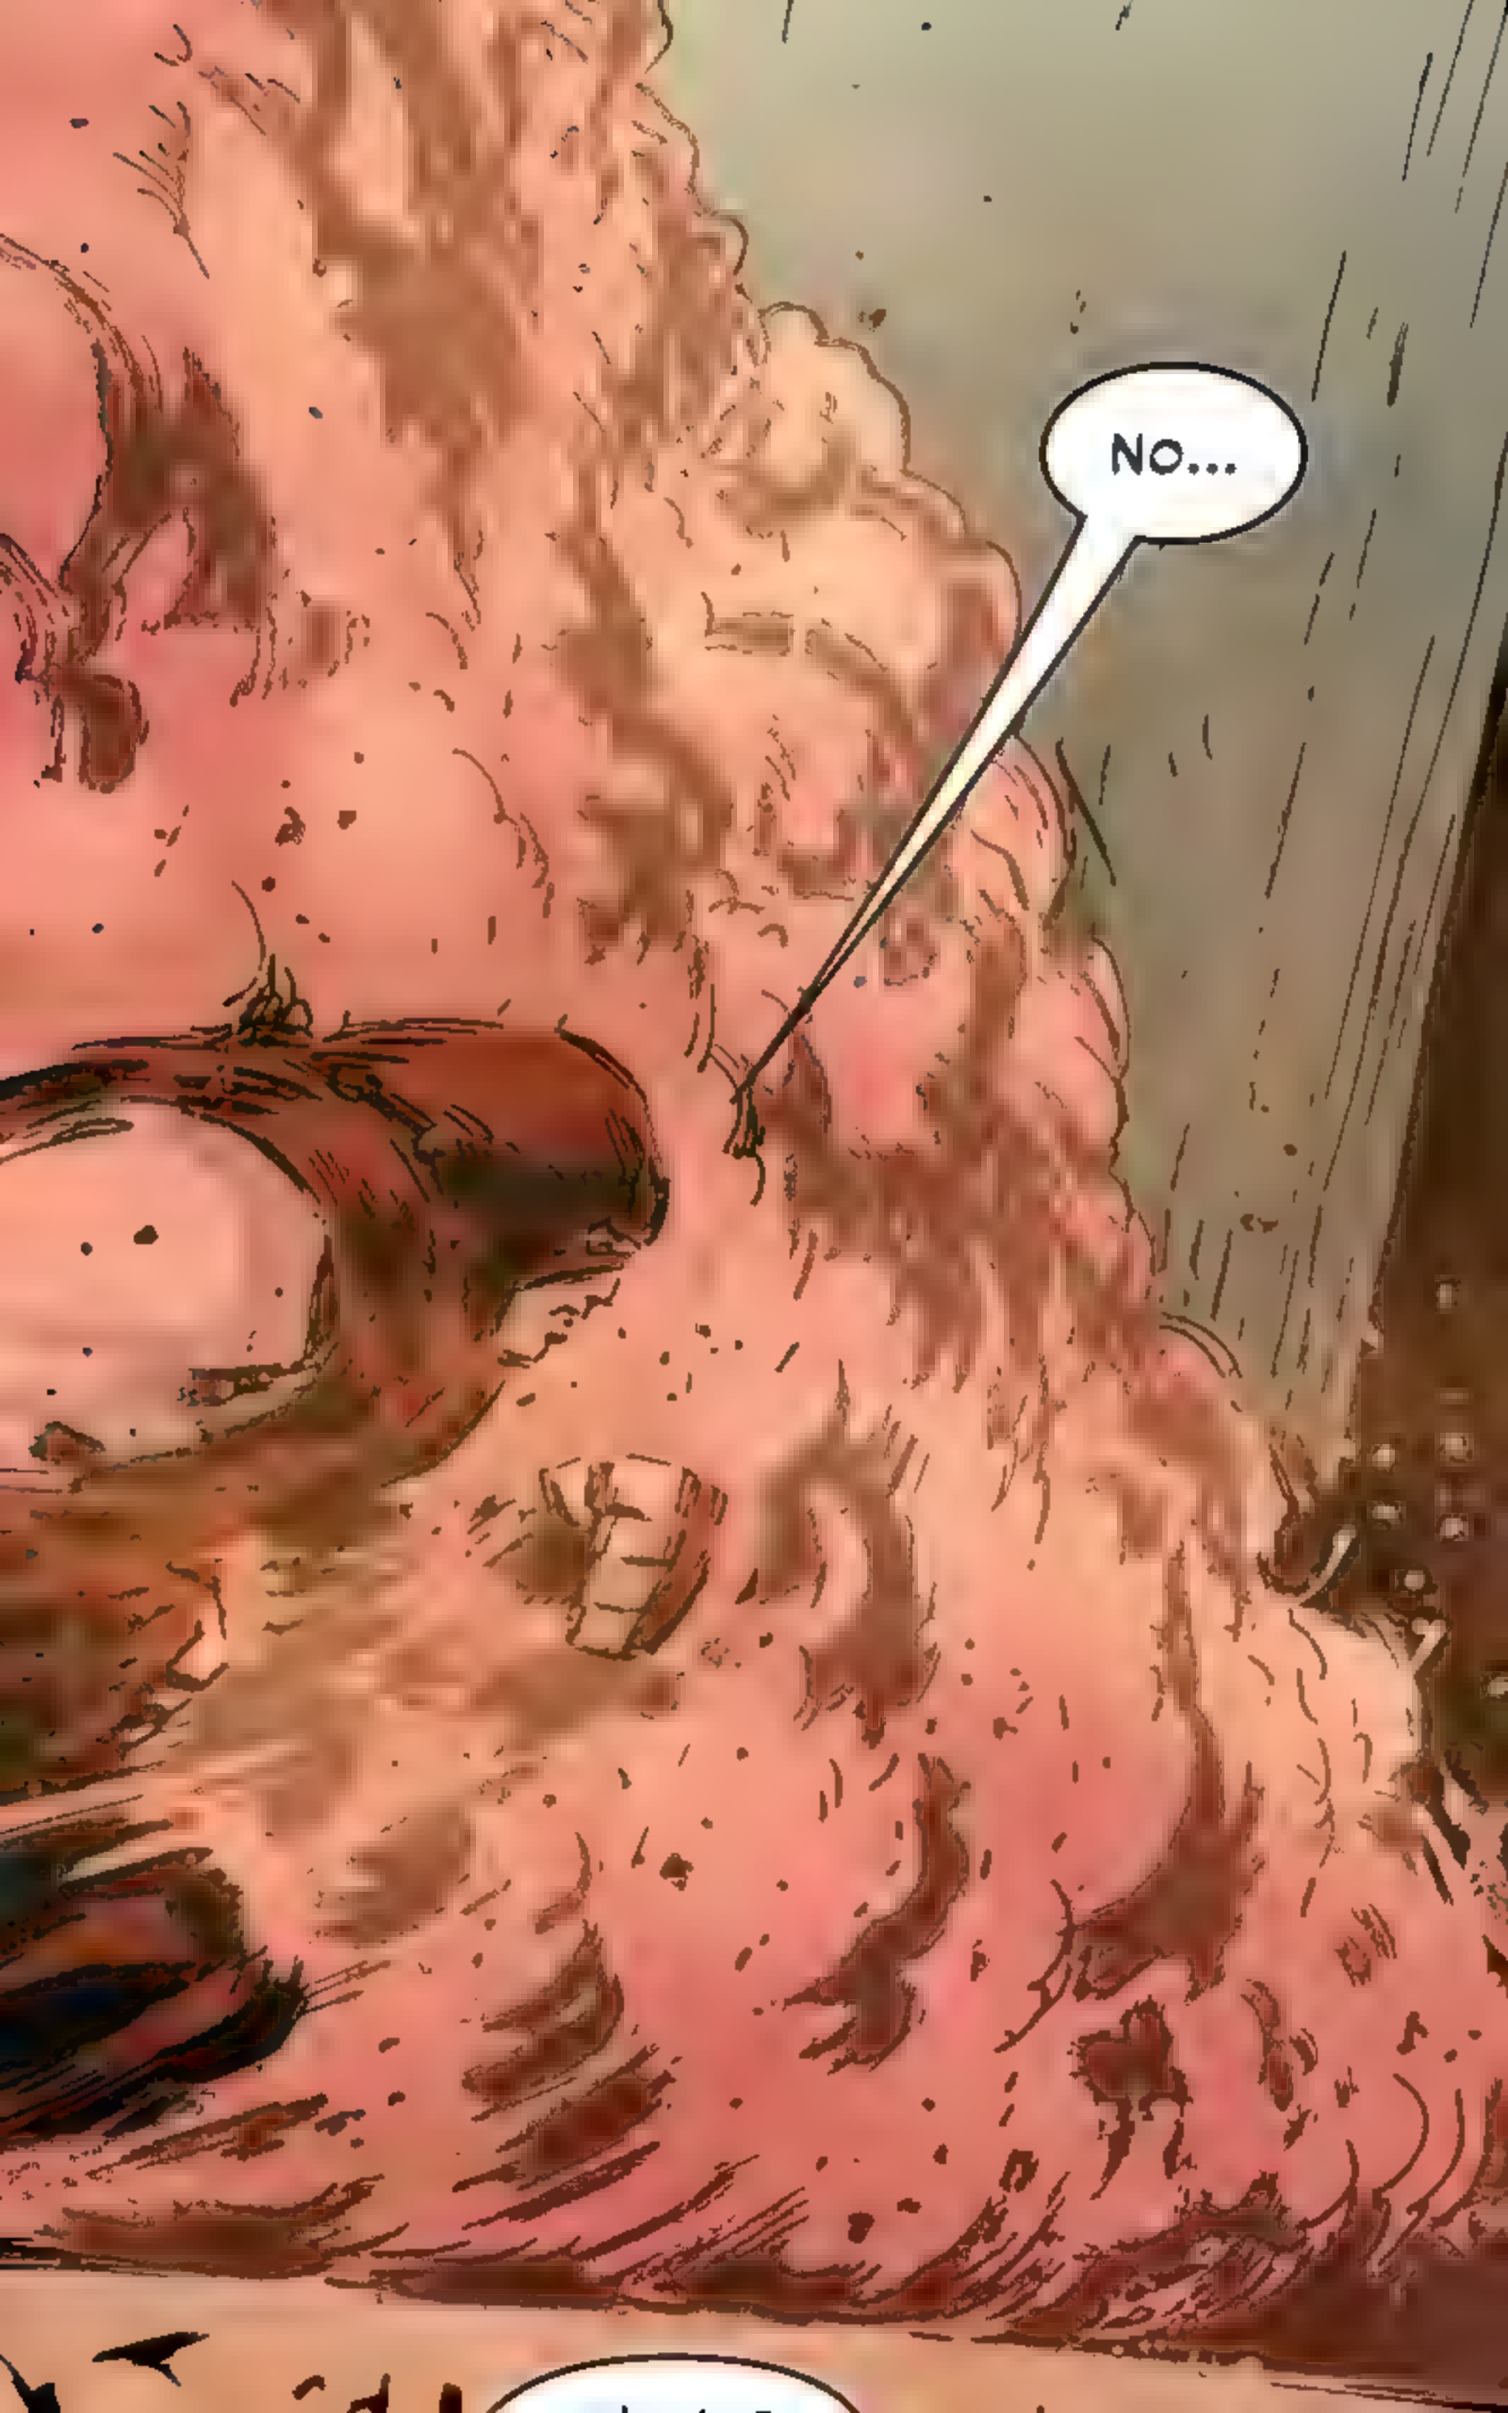
Why can't Krakoa teleport her out?
Our gateway links don't work that way. Extracting Andrea by force would

turn into a very *public* spectacle.
And since the *Unstoppables* are already *wanted criminals*, we're expendable...?
It is a distasteful request.

Damn right it is.
We will *pay* you.
Damn right you will.
Uhm...how much...?

NOW.
Quicksand, I need more cover.

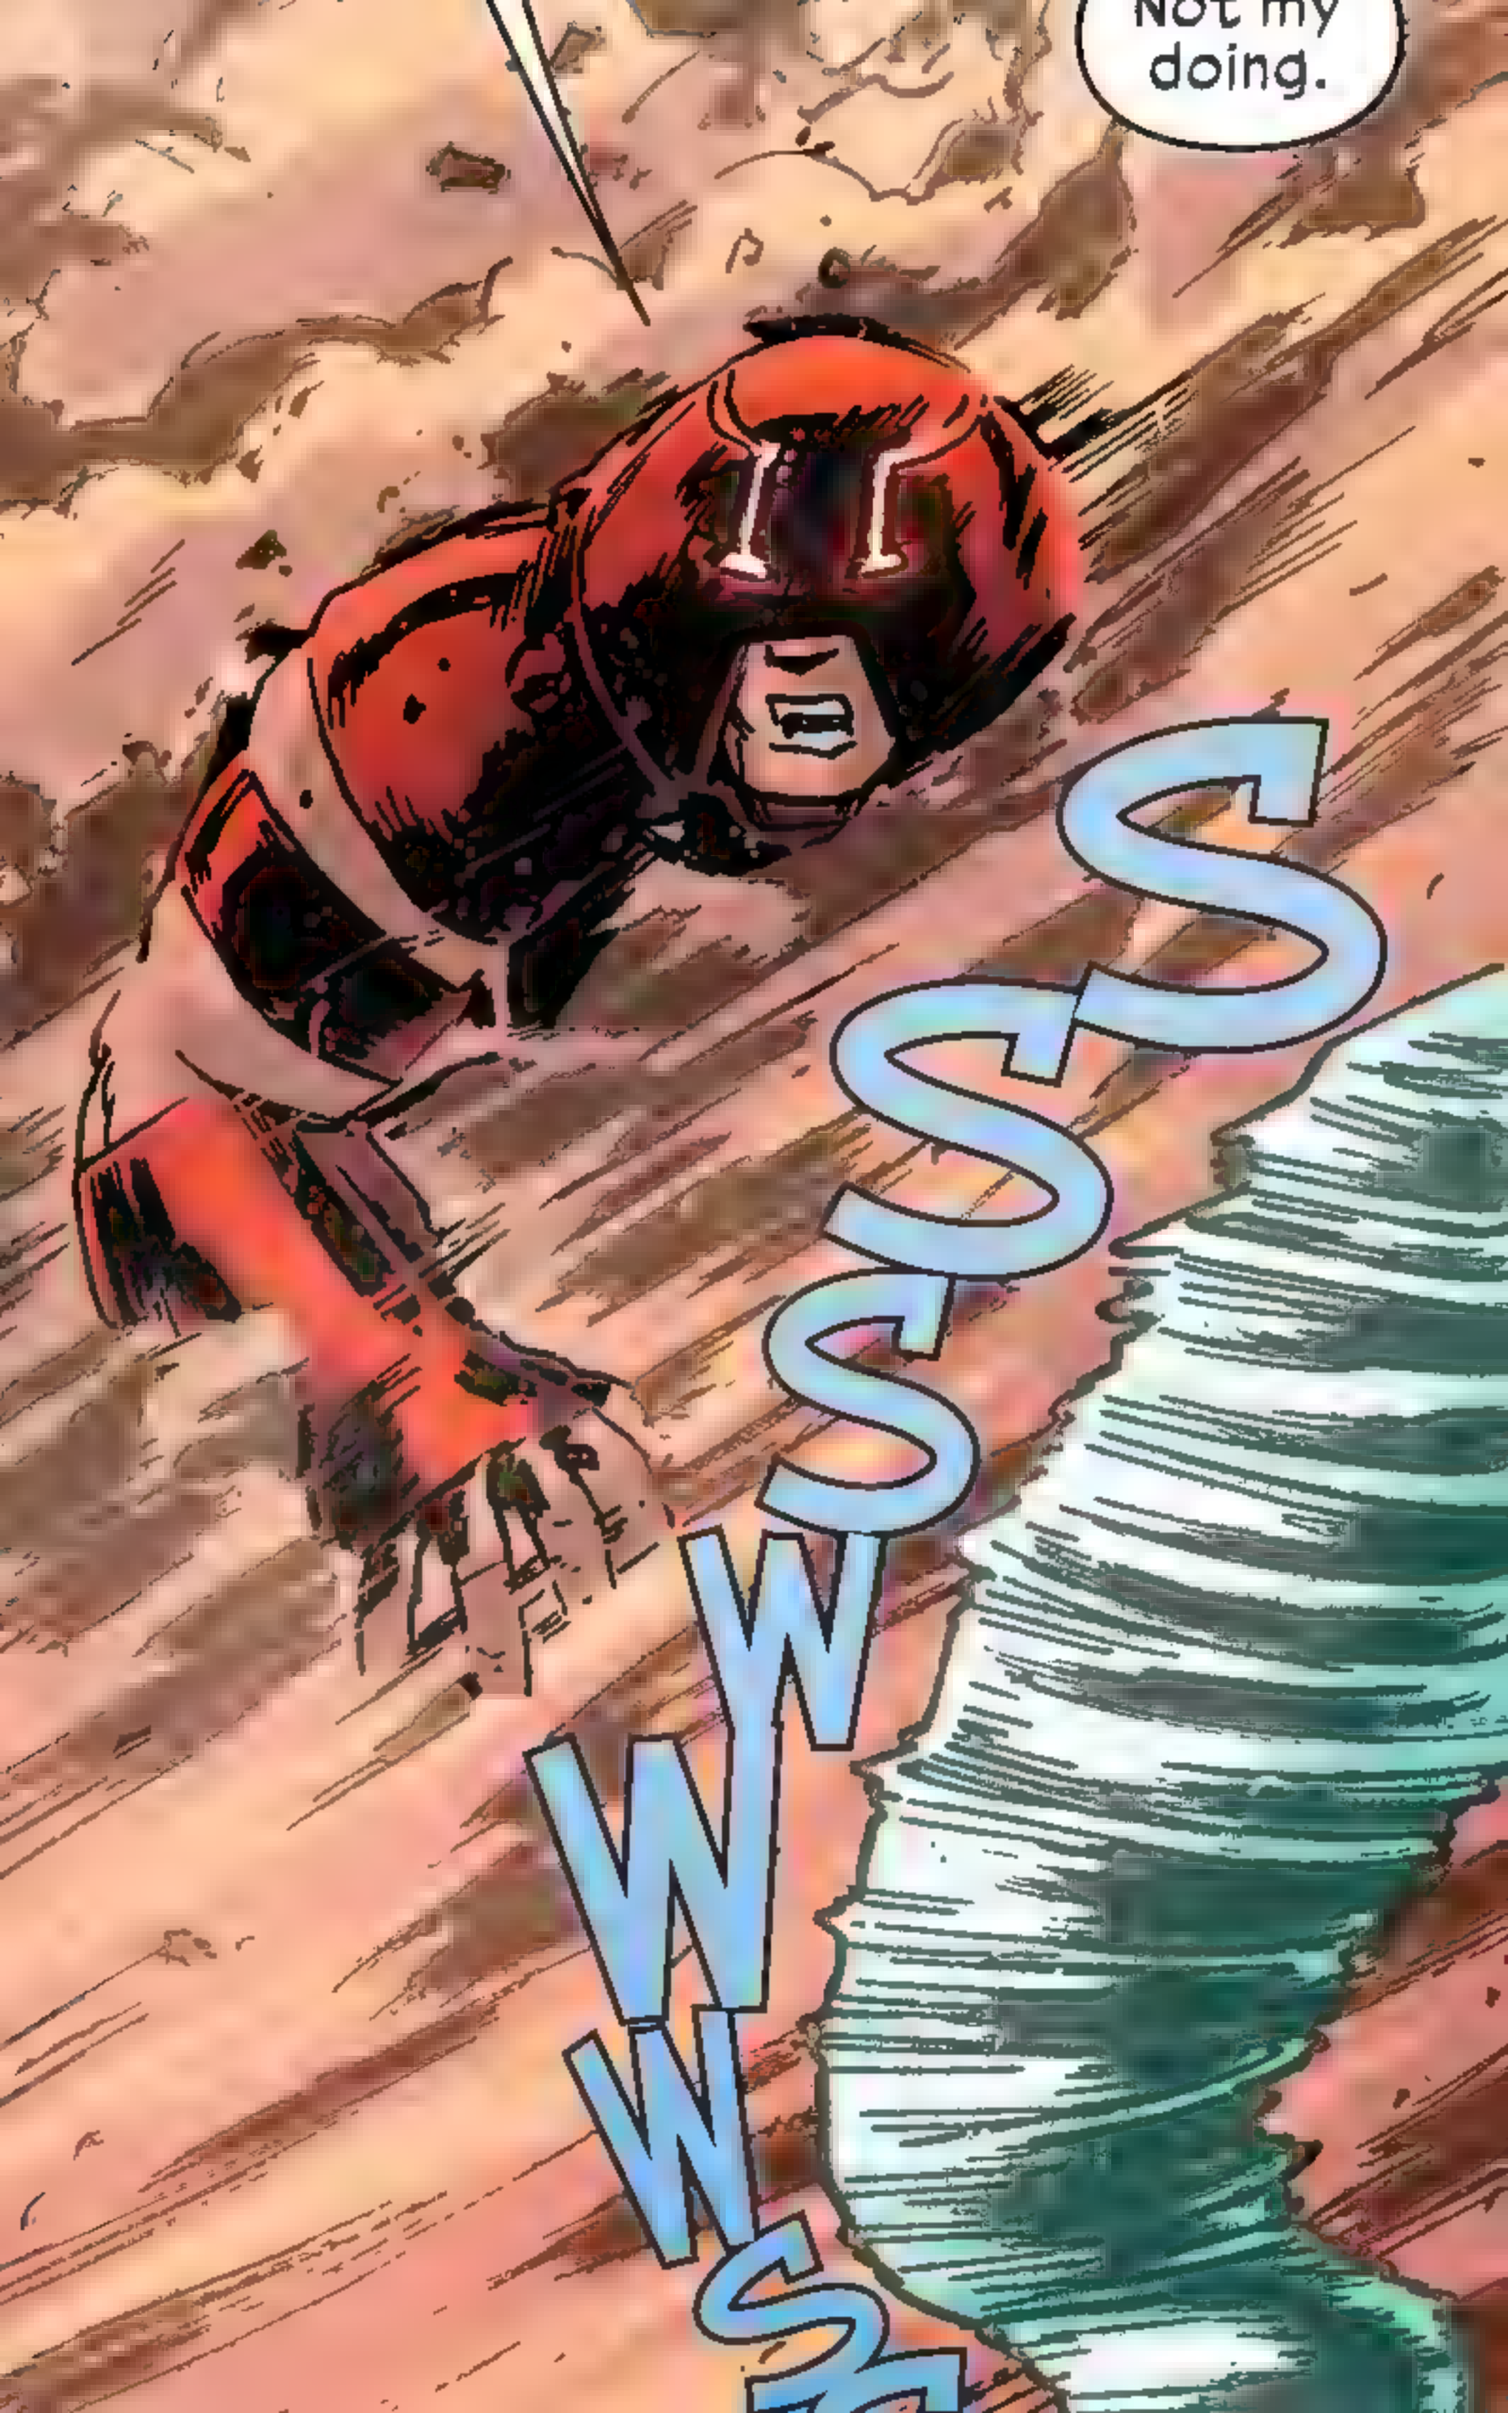
Can you see through this, Cain?



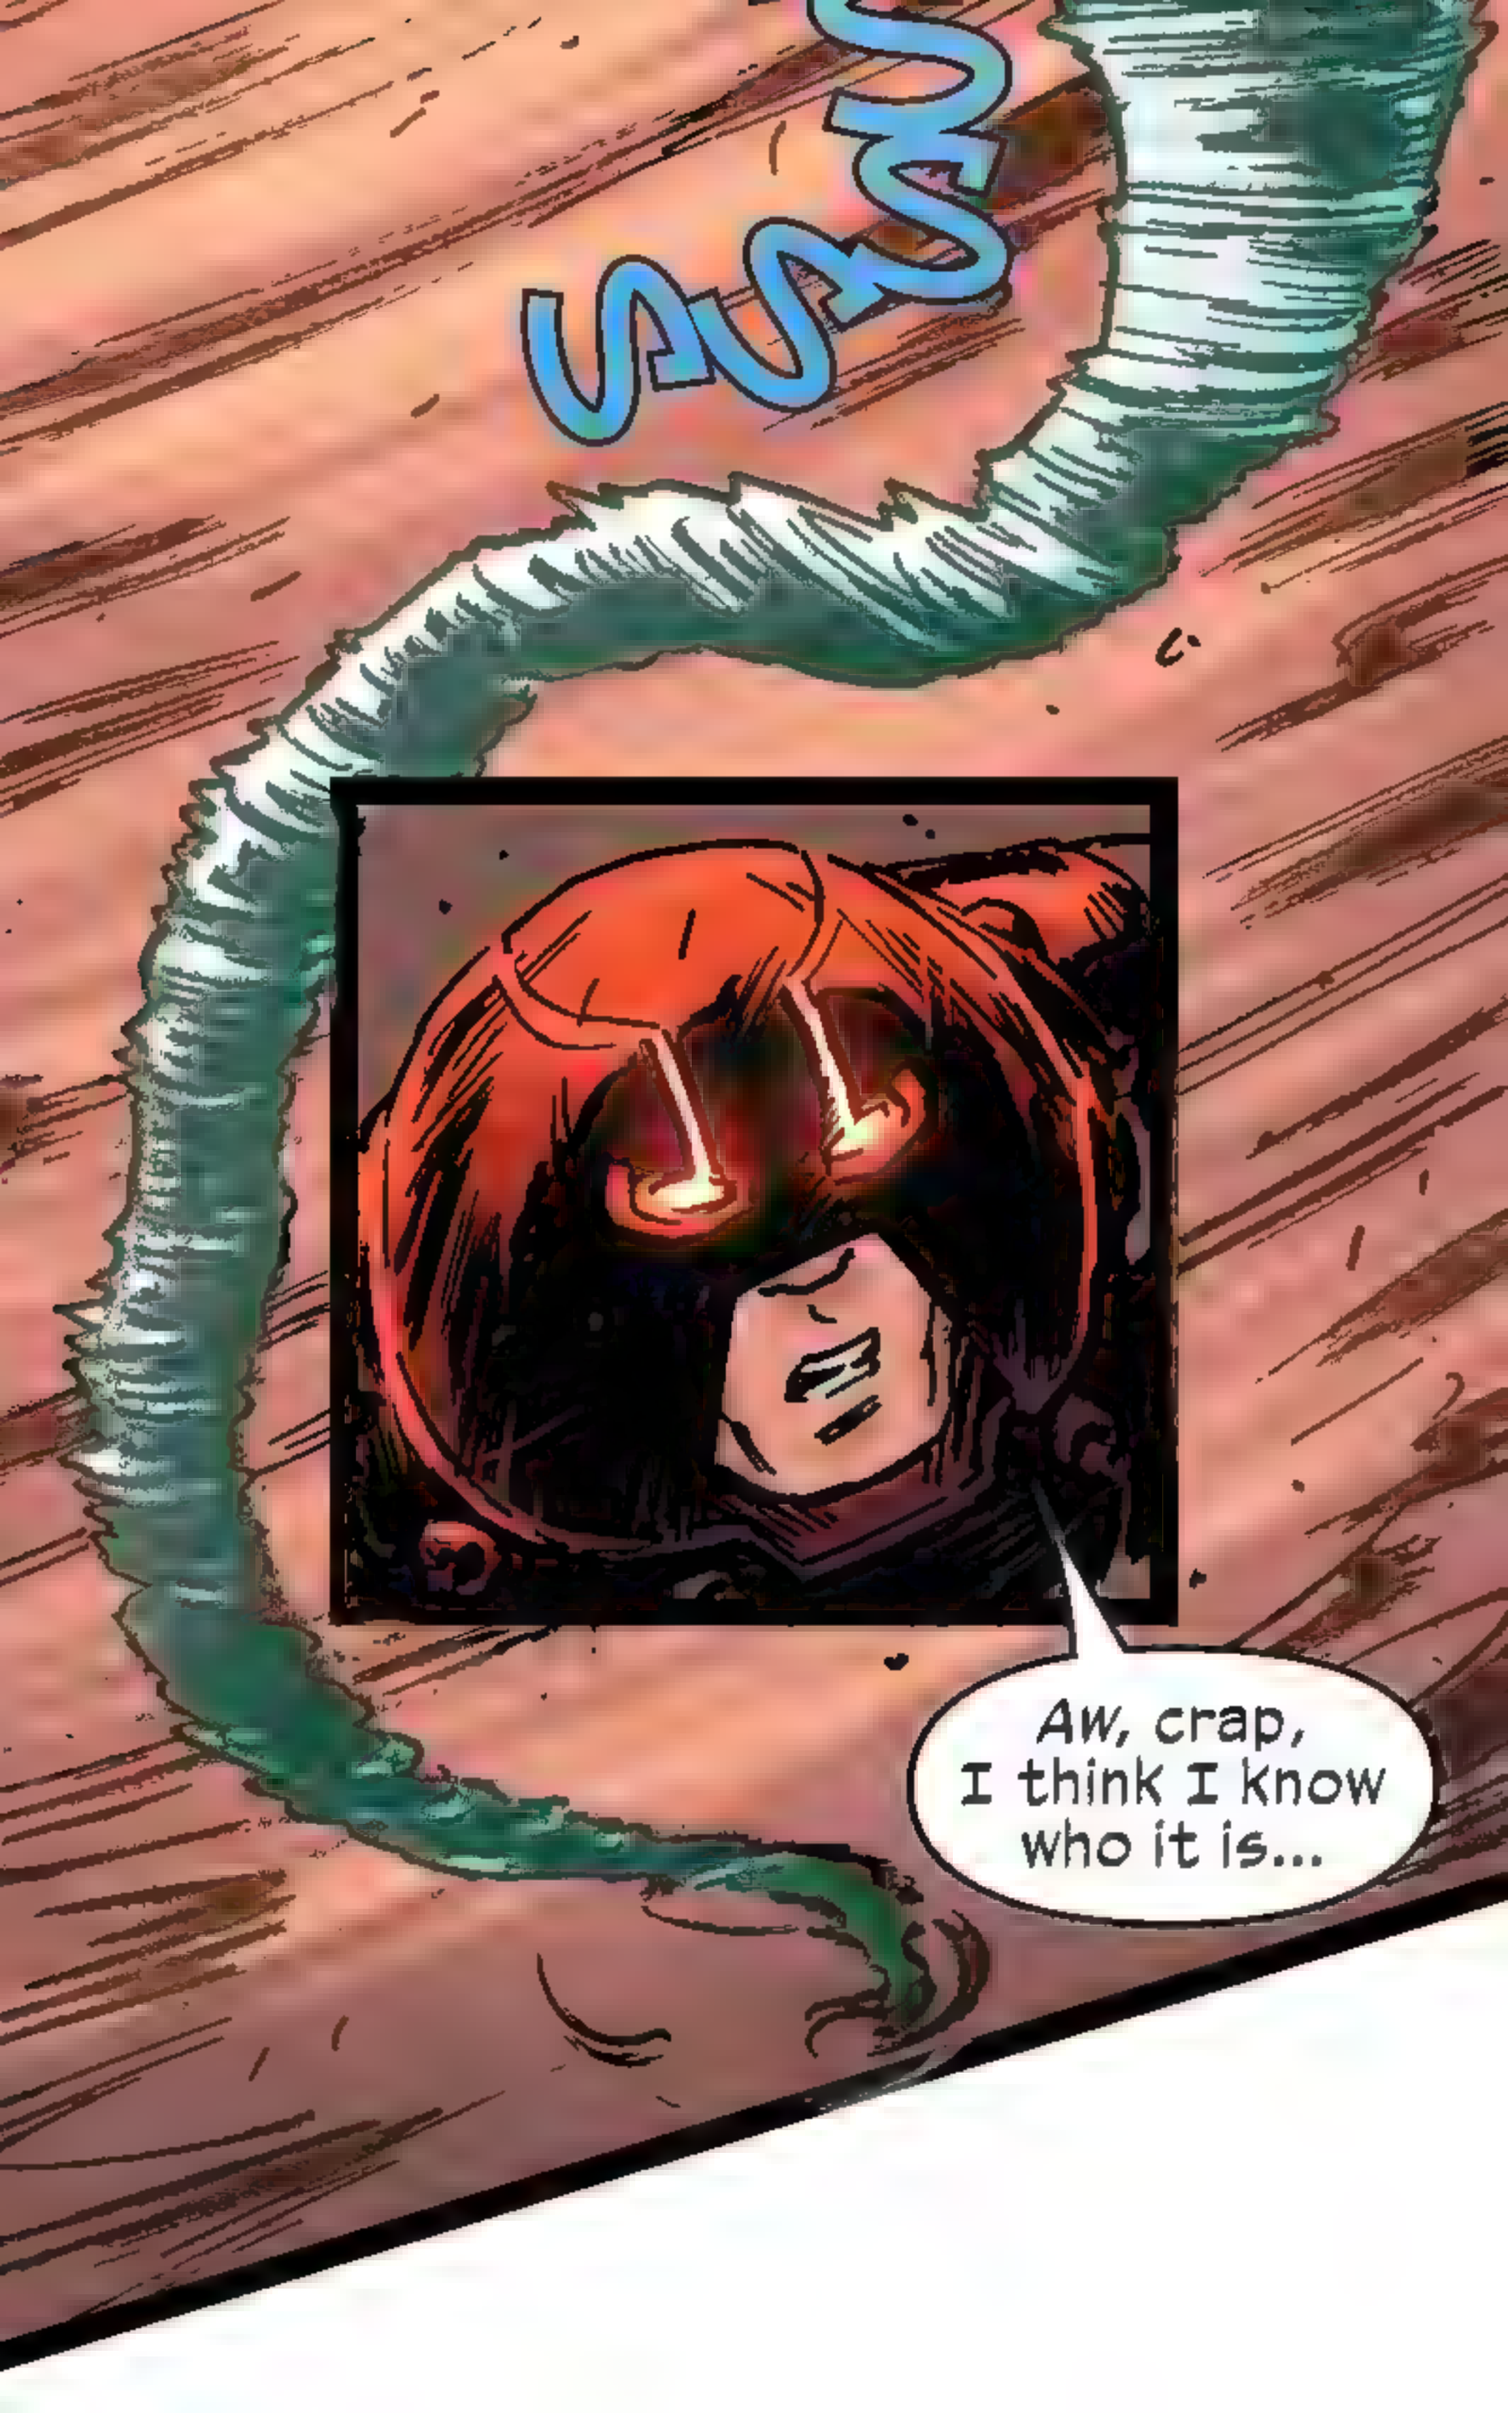
NO...

...but I don't need to...

What the hell?
Nguyet...?



Not my doing.
SSSSWWWSSS



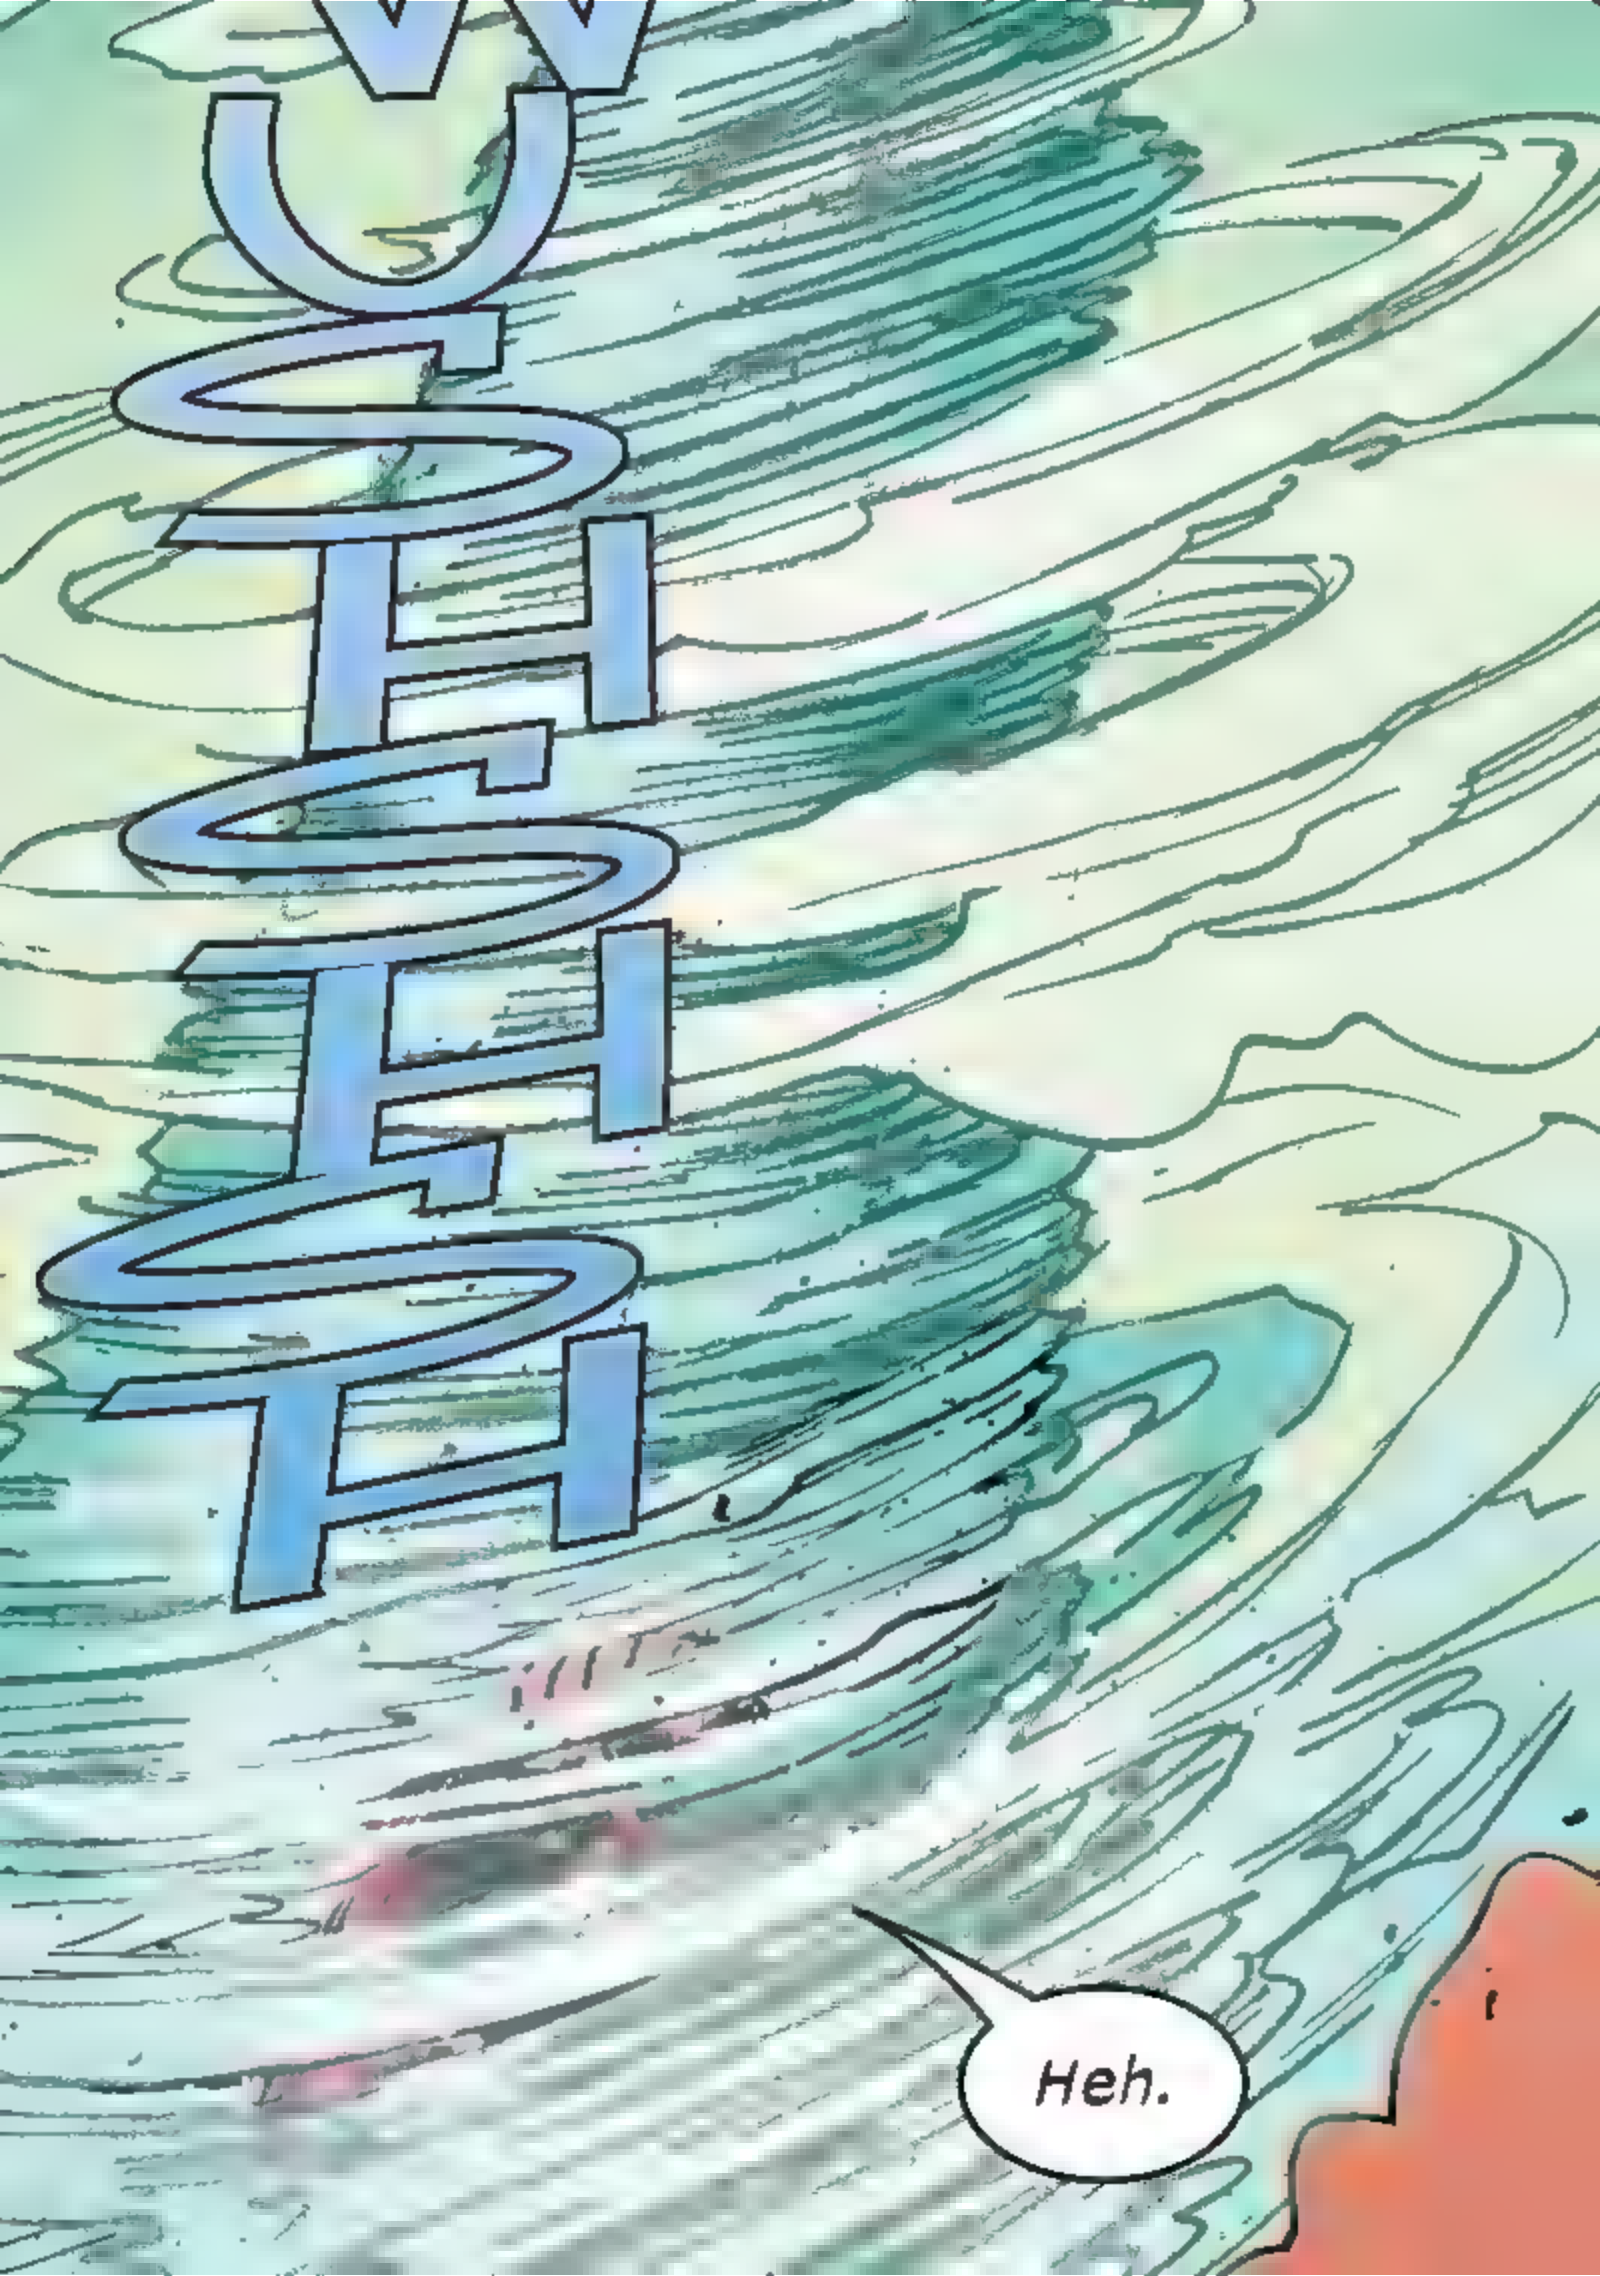
Aw, crap, I think I know who it is...

You're trespassin' on federal property, folks--

--an' Texas Twister is the duly deputized Texas marshal here to take you down!

Don't know why you're loco enough to hit a *federal prison*, Juggernaut, but you ain't goin' one step farther!

EEEWWWWW



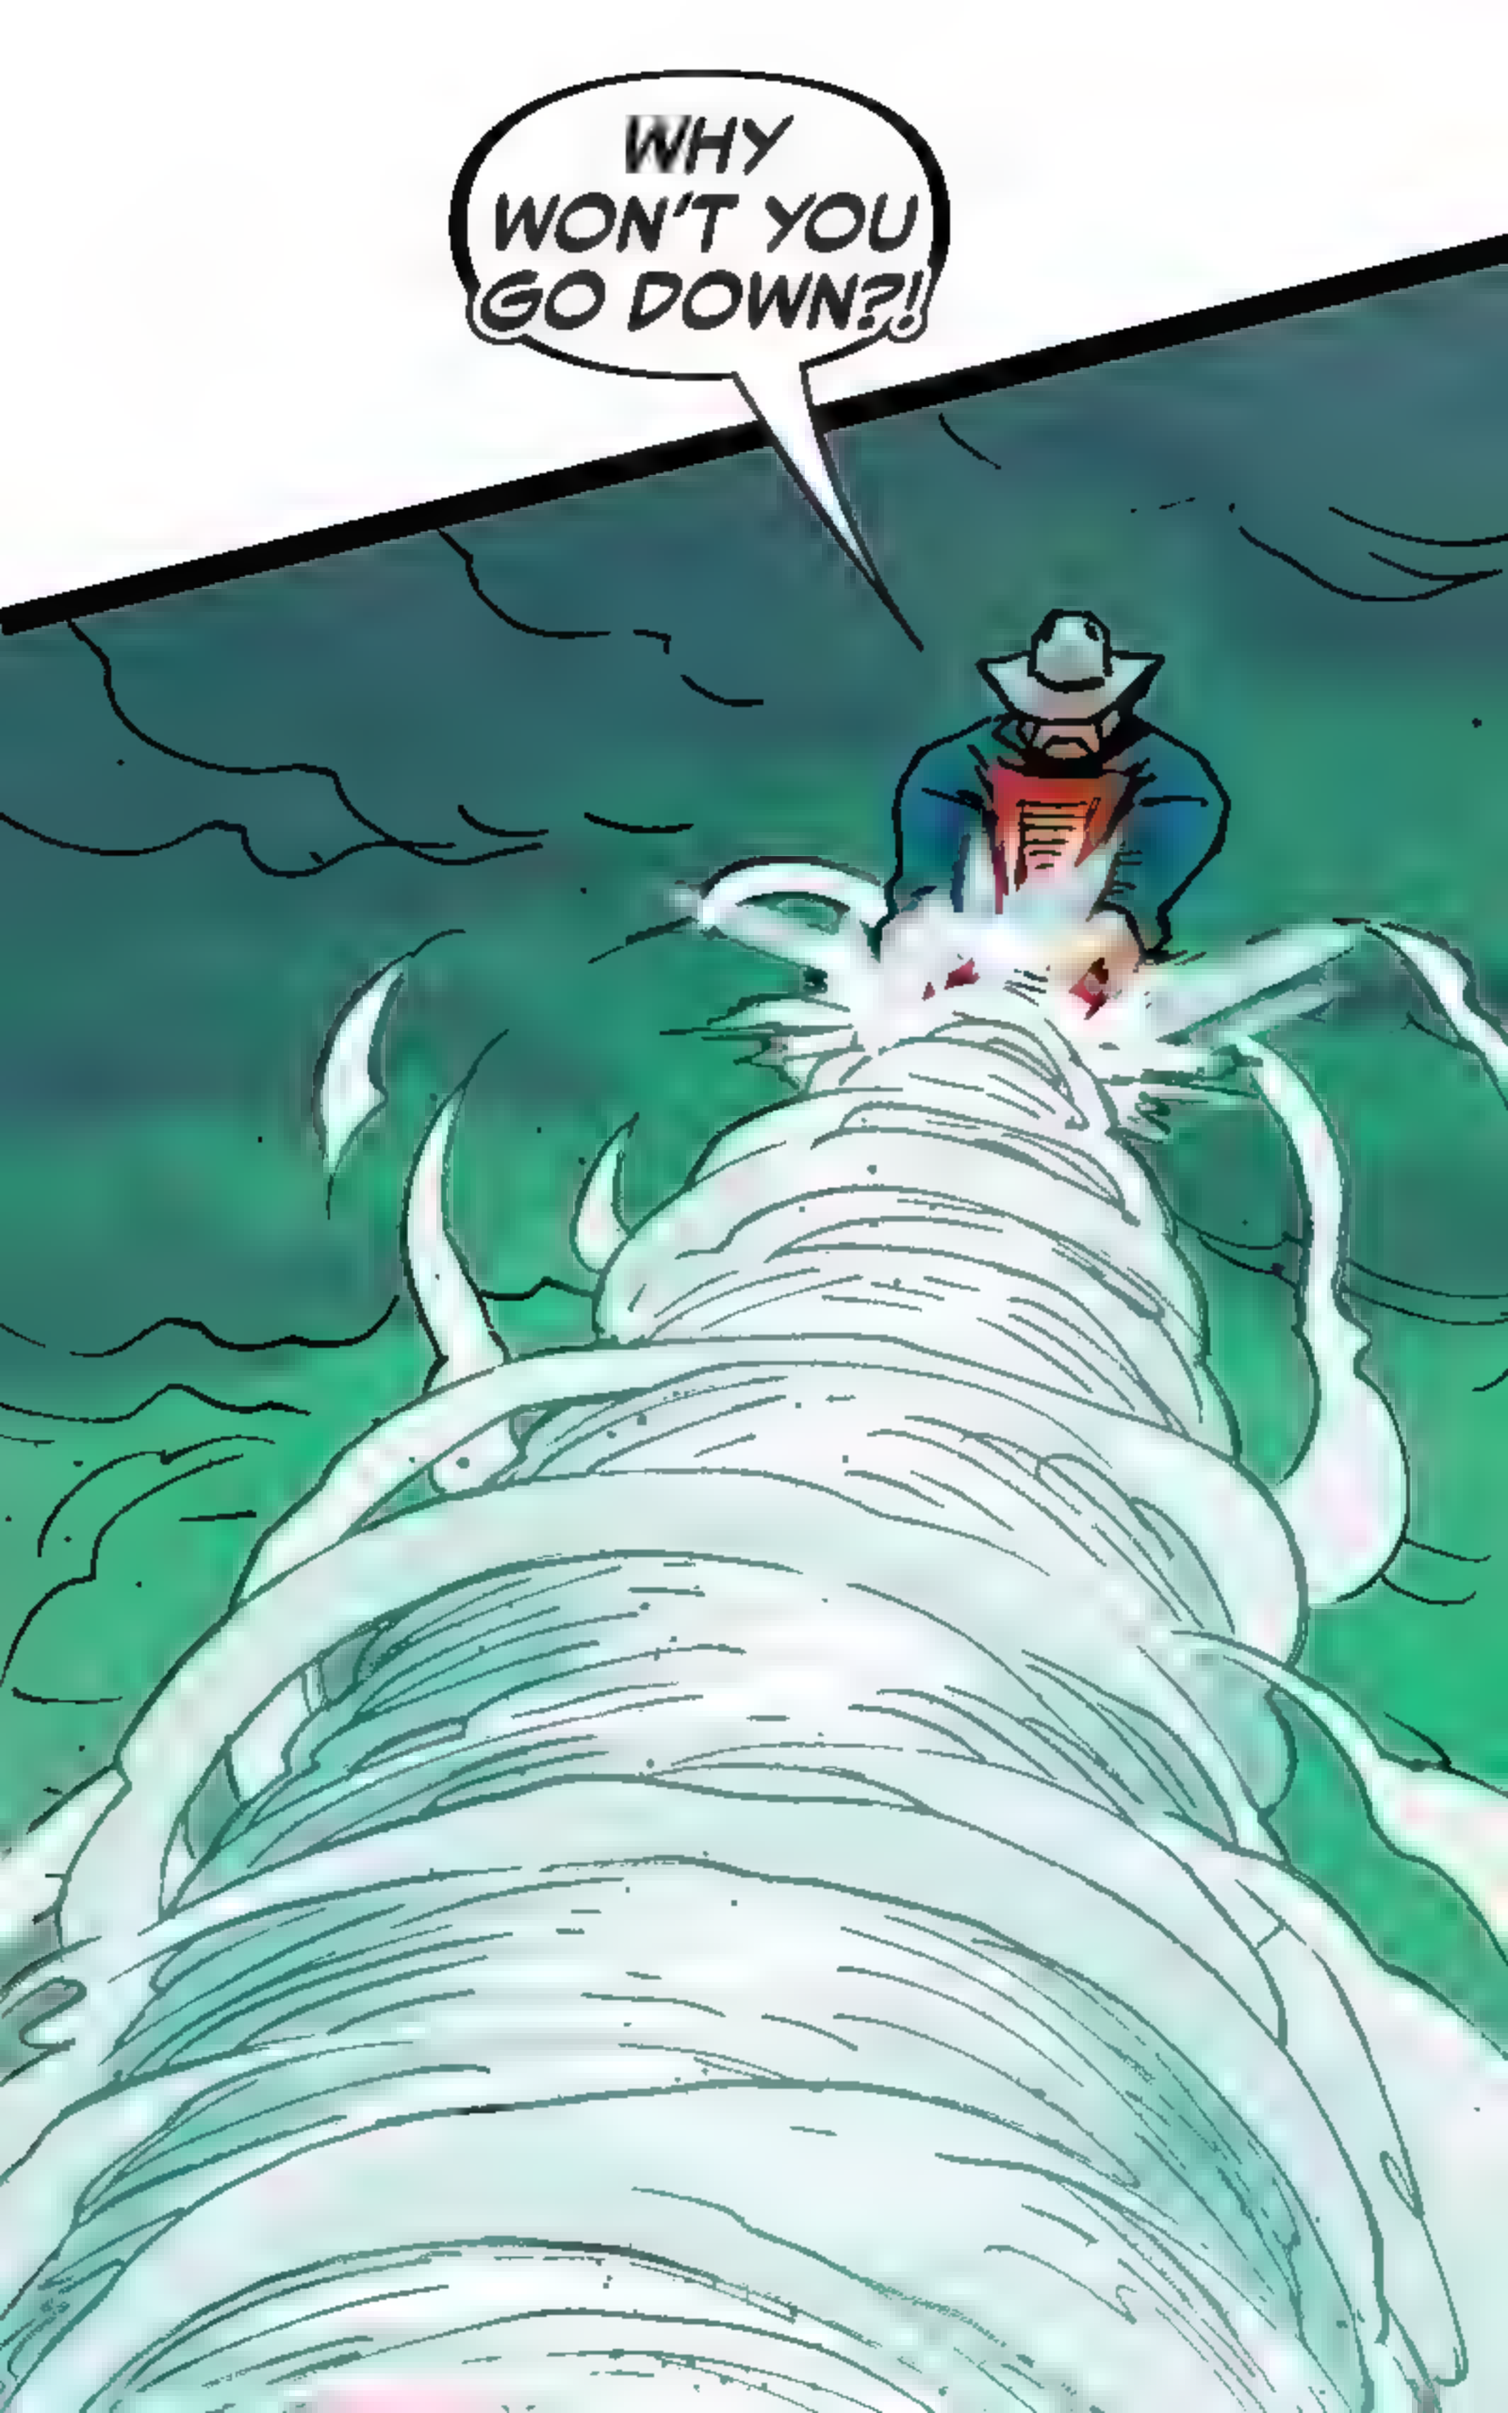
WHOOSH
Heh.

HISSWWW

FFFWWUUU
Nnngh!
EEEEEEEE

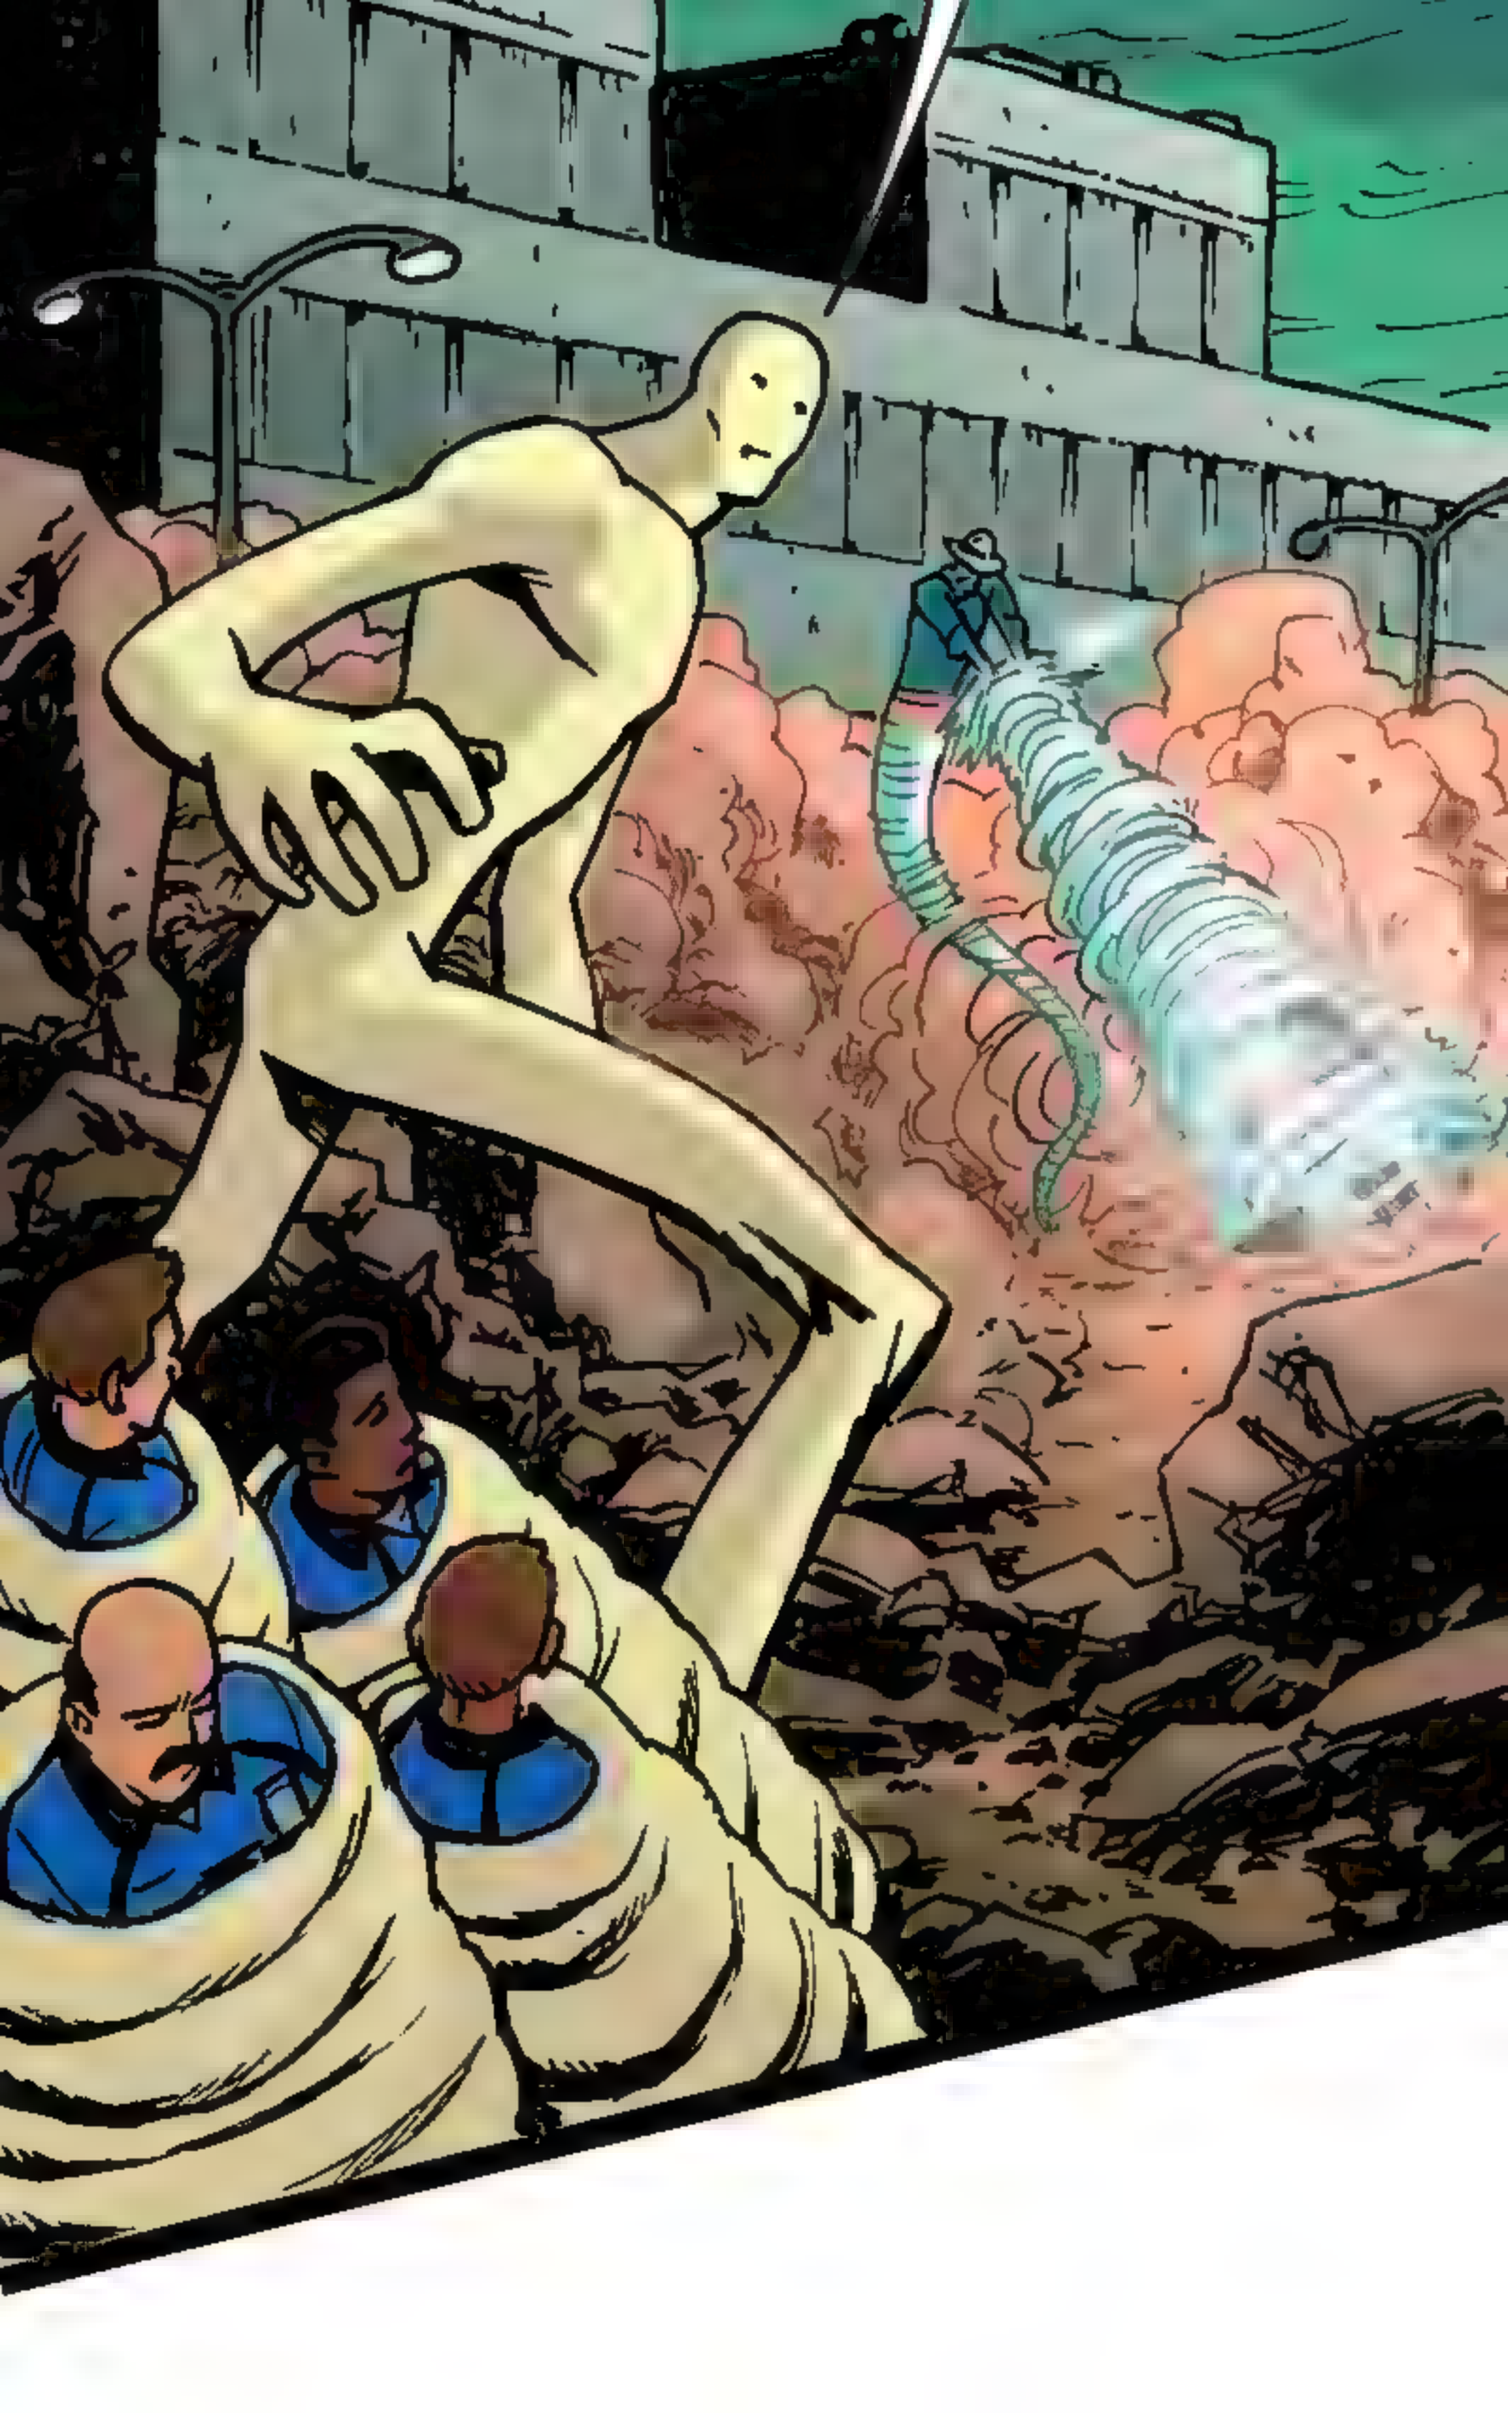
FFFWW
EEEEE

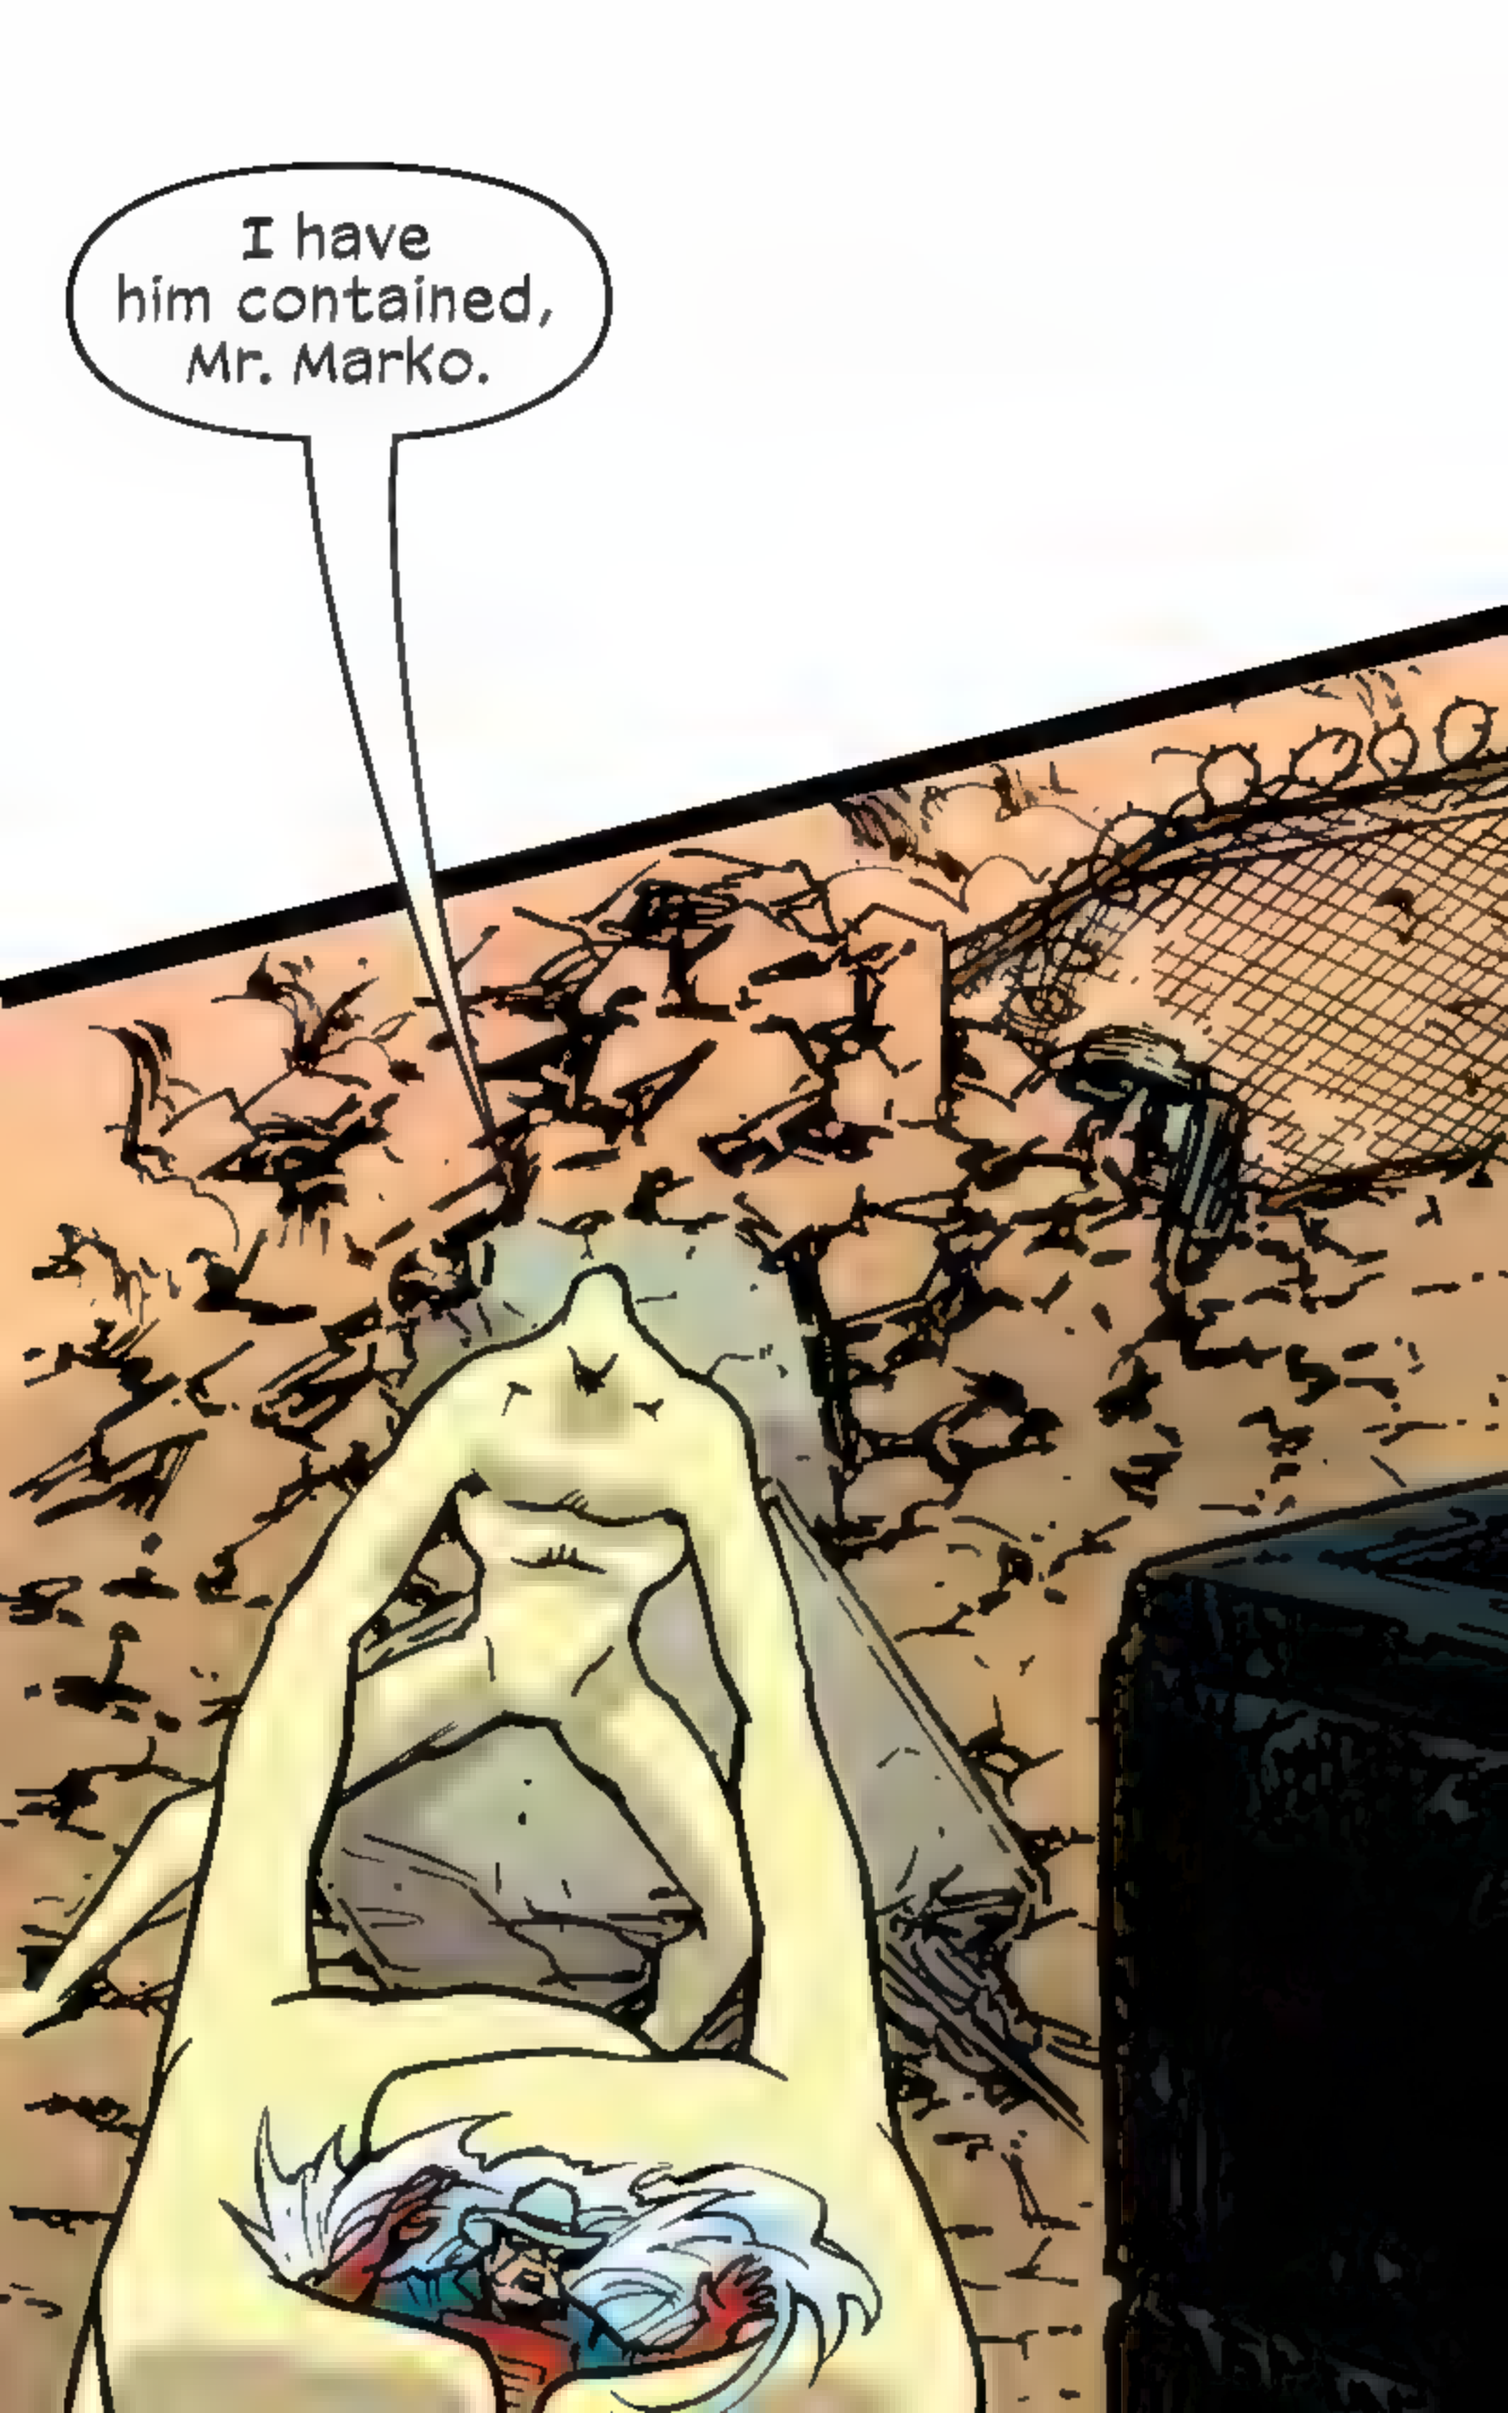
FFFW
Hot damn.



WHY WON'T YOU GO DOWN?!

Primus, this guy is boring me.
On my way, boss.
The binds will *dissipate* into *calcified plastic* in about an hour, officers.
Have a good night.





I have him contained, Mr. Marko.

Super villains helping other super villains by saving them from the system, so they can stop super villains from being super villains?
Seriously, the *lamest*

super-team ever, Cain.
But the *new armor?* Nice.
Wonder if it's as good as your old one...?

Maybe we can play later. Work to do first.
Maintaining this is not easy.

Mr. Twister.
For both our sakes, could you please calm down?

CUT IT OUT!

That seemed to startle him.
You know why we're here, Daniels?
Ah figure 'cus of the mutant?
You figure right.

You're detaining her *illegally*.
She has a right to travel between Krakoa and the states.

Why would the governor risk breaking an

international treaty?
I have found often that politicians rarely make decisions they can justify through logic.
Looks like

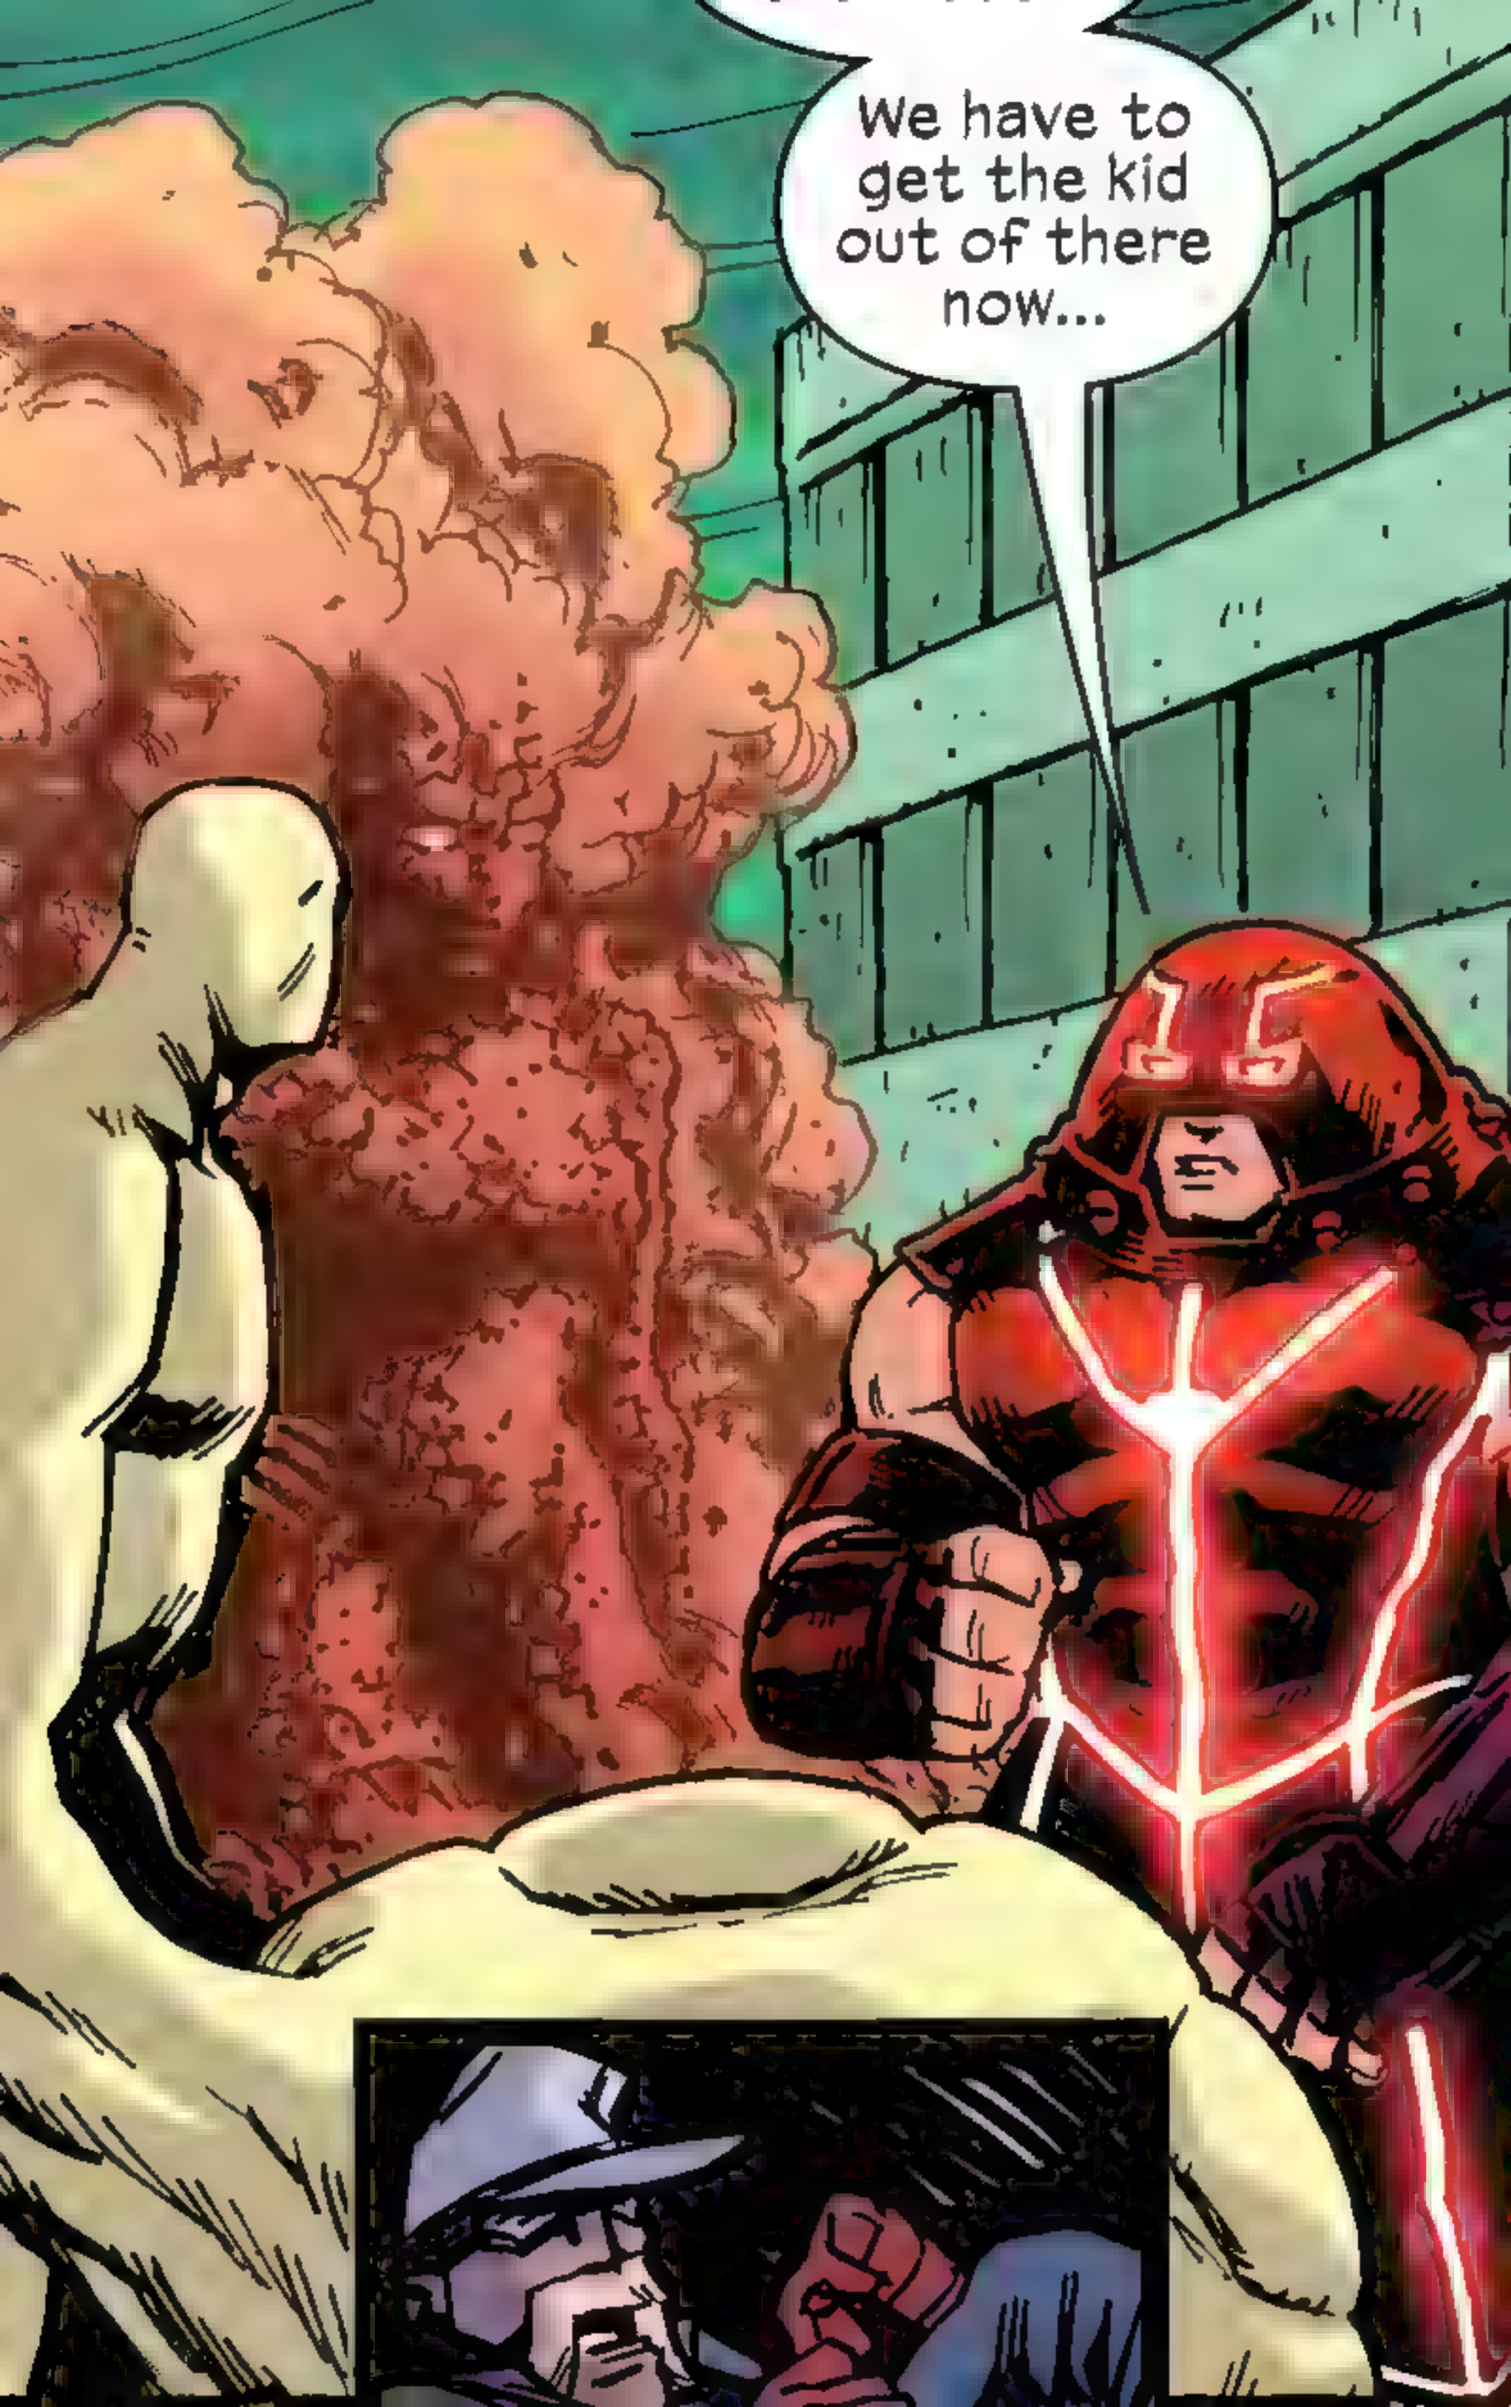
the Governor is less afraid of the President, the nation of Krakoa and every mutant on the planet...
...than he is of the person who is very interested in *acquiring* mutants.

The warden.

"Runs a *for-profit superhuman prison.* Experiments on us to learn about our powers.

"And he plans to use what he learns to end all super-powers."

This kidnapping has been approved *way* high up the ladder.



We have to get the kid out of there now...

"...before this gets any uglier..."

Andrea Margulies?
A.K.A. Rubber Maid?
What the hell kind of a super hero name is that, kid?
I mean, you spelling it M-A-I-D or M-A-D-E?
M-A-D-E

is clever by half, but M-A-I-D...?

Might as well call yourself *Tupperware Lass.*

I'm assuming I don't have

I don't have to introduce myself...?
